

MUTUAL EXCHANGE APPLICATION FORM

Please complete this form if you wish to exchange your home with another resident. Both parties must complete a separate Elim application form. Please note that you will be required to pay 2 weeks rent in advance when the exchange paperwork is signed if moving into an Elim property.

We'll try to ensure that we tell you our decision within six weeks of receiving both application forms. Consent is conditional on our receiving all the information we need. You must not exchange properties or make any removal arrangements until:

1. Both parties have the full written permission of the landlord(s) involved
2. Both parties have signed deeds of assignment
3. Both parties have met any conditions of consent.

Conditions for exchanges

The exchanged properties must a suitable size for each family.

Rent accounts and sundry debt accounts must be clear.

There may be restrictions about pets in some schemes.

Pets are not normally allowed in flats.

Exchanges involving more than two tenancies can be considered.

Tenants take on the other person's tenancy.

This means that the incoming tenant becomes responsible for the condition of the property and gardens that they move into, including : - all internal decorations - replacement of missing or damaged fixtures & fittings - repairing any other damage which is the tenant's responsibility - cleaning - clearance of rubbish. If the other tenant's landlord is not Elim, then there must be a satisfactory exchange of references between Elim and the other landlord.
